A record of action

Andrew Simpson has been getting things done for local people for 28 years. Almost everyone knows someone who has been helped by Andrew.

While local Conservatives are trying to close care homes, take control of schools away from parents and teachers and exploding the level of debt council-tax payers will have to repay - Andrew is fighting for a better deal for Northampton and it's people.

Protecting green spaces

While the Labour Government is trying to impose massive new housing targets on Northampton, Andrew is leading the fight to protect our green spaces.

In Febuary he delivered a huge petition against the mad housing targets to Downing Street to try and stop 40,000 new houses destroying our green fields and overwhelming our local services.

Protecting local Services

Nothing matters more to Andrew than protecting and improving the vital local services we all rely on.

Andrew is fighting for action to improve treatment times at our local hospital, get more midwives and put extra police on patrol.

The Lib Dems will invest in our schools to cut class sizes and abolish Labour's unfair tuition fees.

We will lead the fight for real action to stop climate change by making Britain a world leader in renewable energy.

More money in your pocket

Andrew Simpson wants to cut the tax bill of ordinary families. The Lib Dem fair taxes plan will mean that no one will pay tax on the first £10,000 they earn.

If you earn over £10,000 a year you will be £700 better off.

This will be paid for by closing tax loopholes exploited by the very rich and by the new 'mansion tax'.

Investing in our future

Andrew and the Lib Dems want to make sure that we give our children the best opportunities in life and a clean, safe environment to grow up in.

**A message from
Nick Clegg**

Gordon Brown and Labour have failed. We need real change in Britain and we need it now.

Only the Liberal Democrats can offer that change. Unlike the Conservatives, we have real solutions to tackle the problems facing our country.

We will make Britain a fairer and better place to live.

The Lib Dems will cut the tax bills of those on middle and low incomes. A tax cut of up to £700 will give real help to families everywhere.

We'll pay for this by closing the tax loopholes exploited by the very rich.

But that's just the start. We'll take action to create jobs, tackle climate change and to clean up politics.

That's real change for you.

deliver for Northampton**

It's time for real change for Northampton. We need a local champion who will put Northampton and it's people, first.

Local Conservatives are showing their party has not changed - cutting services, failing schools and closing care homes, seemingly without concern for the people affected.

Labour's MP can't win here again. The government she has been so loyal to has failed us too badly. **Only the Lib Dems can stop a Conservative victory in Northampton North.**
