

ANDREW SIMPSON : An Experienced campaigner for Braunston & Welton

‘An Experienced Campaigner’

Local Liberal Democrats have chosen **Andrew Simpson** to be their candidate for Braunston & Welton ward in the Daventry District Council elections on May 5th.

Andrew is an experienced local community campaigner having served for 16 years on Northampton Borough Council before moving into the Daventry area in 2014.

As a Councillor he had a **record of getting things done and for standing up for the community**. He was instrumental in setting up a group to protect the local park and improve its facilities. He campaigned against the loss of a local Post Office and he successfully dealt with 100's of individual issues for local residents over the years.

‘I am delighted to have been chosen to fight the Braunston & Welton seat’ said Andrew. ‘It really is a super area and I would welcome the chance to bring my energy and enthusiasm to representing it on the Council’

‘Please give me your support on May 5th’

TOP 5 Priorities for our Area:

- 1 Safer & Better Roads.** Restricting HGV's to principal roads and protecting the villages from 'rat runs'.
- 2 NO New Developments without new and improved facilities.** Any new housing developments must include improvements to the local area.
- 3 Promoting Our Villages.** Supporting our Parish Councils and promoting a sense of local 'pride' in our villages and our local community.
- 4 Cleaner & Greener.** Quicker action to clean up 'grot spots' and other areas attracting rubbish. Promote more recycling facilities.
- 5 Better local services.** Improved mobile phone and broadband coverage and protecting shops and Post Offices.

CONSERVATIVE SHAMBLES

In government, the Lib Dems stopped Conservative cuts targeted at the most vulnerable in society.

Now we're seeing the true Conservative party - heartless, ineffective and hopelessly split.

While Labour are busy fighting among themselves, the Lib Dems are standing up for teachers, nurses, workers struggling on low incomes and the disabled.

Andrew's Pledges

The best choice for our area

✓ To be a strong voice on the Council

Daventry District Council is dominated by the Conservatives who currently hold 31 out of 36 seats on the Council.

As a Liberal Democrat, and a member of the opposition, I would be able to provide an alternative view which would be good for local democracy and also good for Braunston & Welton.

✓ To put the local environment first

With an increasing demand for new homes we need to protect our local environment by ensuring new developments are sensitive to their surroundings.

I support wind turbines and solar farms as ways to generate energy locally and as part of a more sustainable future.

The Conservatives should get on with the canal extension but abandon plans for a costly and unnecessary boat lift.

✓ To keep in touch and report back

Through attending local community meetings, supporting the Parish Councils and reporting back through FOCUS newsletters.
